TROOP 15 WELCOMES REDDING PACK 118 WEBELOS

The Pack 118 “Old Yellers” bid farewell to the Pack and crossed the symbolic bridge to join Troop 15 in their next level of Scouting. The event took place outdoors at RES where fellow Cub Scouts, BSA Scouts, leaders and parents cheered their accomplishments. Along with the girls den who joined Troop 306, all transitioning Webelos earned the Arrow of Light rank and achievement and were awarded handmade arrows and walking sticks. Congratulation to Redding’s newest BSA Scouts on their impressive achievements. Do Your Best!
