

Thank You For the Support of our Popcorn Fundraiser:

November 30, 2020

A huge thanks for the tremendous support for our popcorn sale. This one and only fundraiser supports a full year of engaging Scout programs. Whether it's a meeting, campout, community service project or adventure, every engagement affords the Scout an opportunity to learn more about himself and take care of others. With some guidance and resources, Scouts design their own adventures and forge their own paths through trials, tribulations and new experiences.

Troop 15 Scouts learn skills they'll use for a lifetime. Scouts plan and cook meals, pitch tents, chop wood, build fires and navigate the woods with a compass. They learn how to prevent injuries, apply first aid and prepare for emergencies, identify local wildlife and poisonous plants. Each year they acquire new skills and spend time in rewarding activities like fishing, hiking, photography, computer animation, engineering, the list goes on and on.

Most of all, your support fosters the rich tradition of Scouting in Redding and the next generation of Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean, and Reverent citizens.
